HELIX HAPPENINGS

ARE PREPARING FOR THE
COMING CITY ELECTION.

Robert Grant has purchased property near Seattle—Cemetery is to be enlarged and improved—Public School Entertainment—Half Section of Land Changes Hands—Expected Home From World's Fair—A Good Rain is Needed.

Helix, Nov. 25.—The annual election of the city of Helix will be held Monday, December 12, at which time there are to be three councilmen, a recorder and a treasurer elected.

Robert Grant, who recently sold his ranch near this place and moved with his family to Seattle, has purchased a ranch near that city.

At a special meeting of the city council it was decided to purchase of W. M. Scott, his interest in the Helix cemetery. Also certain lands adjoining said cemetery on the west, price \$250. When the transfer has been formally made the city will have the grounds cleaned up. A new fence will be built and the property improved in many other respects. G. V. Hewitt is now circulating a subscription paper, the proceeds of which are also to be applied on the same work.

A very interesting entertainment was given by the pupils of our public school Wednesday afternoon.

John Timmerman has purchased the half section of land known as the Ben Casey ranch, of Louis Muller.

Thanksgiving day was appropriately observed in this place, the union services at the Christian church being well attended. There were also the usual family reunions and friendly gatherings.

The last heard of Jim Kern and Erwin King, they were preparing for a trip to Holdman, where they expected to bag a hack load (more or less) of jackrabbits, coyotes, etc.

The popular young couple, Mr. and Mrs. Ira Julien, are expected to arrive in Helix from an extended trip in the East in a few days. They have been at the World's fair at St. Louis, and many other places of interest, during their absence.

The fall sown grain in this section is improving in appearance day by day, but a good rain is much needed at this time.

Mr. Hamilton of the Pendleton Tribune presented a proposition for a "write-up," to the city council on Tuesday evening, but the "Dads" apparently did not take very kindly to it, as the proposition was promptly "turned down."

Just received by express, men's handsome cravat coats at the Peoples Warehouse.

A New Indust

GARMENT MAKING ADDRESS
THE LIST OF PENDLETON
INDUSTRIES.

Since the change in the management of the Pendleton Woolen mill, which occurred on September last, a garment department has added, and now Smoking Jacket Bath Robes, Lounging Robes, Singing Shirts, Arctic Blouses and boggan Coats, are being manufactured.

These garments already give evidence of soon being as popular as famous Blankets, Robes and Shirts made by this institution.

But few samples have been shown but so great has been the call these garments that they have been behind on orders ever since commencing to manufacture them, spite of the fact that they have made new additions to the machine to turn them out.

The Pendleton merchants have been showing the Smoking Jacket about two weeks and now samples of their Bath Robes are on display are even prettier than one would imagine.

They are made out of the highest-grade cloth that goes into Indian Robes, and one of these Bath Robes, if worn every evening for ordinary lifetime, would still be serviceable, for they are practically garment that will not wear out.

In contemplating the purchase of a Smoking Jacket or Bath Robe few people consider that a cheap article will always look cheap and render but poor service. The Pendleton Bath Robes and Smoking Jacket while higher in first cost, will give the wearer longer service, more comfort and better satisfaction than cheap article.

They are a distinct novelty and for Christmas or holiday presents will not fail to please, no matter how fastidious or particular the recipient may be. In making up Christmas lists remember the Pendleton garments.
